Professional Experience

Ricardo Seabra Moura joined the firm in October 2021. He is a member of the tax team.

His activity is mainly focused on financial and insurance, energy and real estate areas, in particular the tax advice of domestic and multinational groups, setting up of investment structures, classic and innovative funding arrangements (corporate, aviation, project and real estate finance), restructuring transactions and others domestic and cross border financial transactions (factoring, leasing, debt and hybrid instruments, securitisations).

He provides regular tax assistance to banks and other financial institutions, insurance companies, asset managers, collective investment schemes, venture and pension funds, securitisation vehicles, and private clients.

Ricardo has been actively involved in relevant tax disputes, notably matters regarding stamp duty, corporate and personal income taxes.

He regularly lectures on post graduate courses and seminars covering taxation matters in Lisbon and Coimbra Faculties of Law. Ricardo has also authored and co-authored several articles in Portuguese and foreign publications.

Previously, Ricardo worked from 2000 up to 2004 in Banco Finantia and from 2004 up to September 2021 in Vieira de Almeida e Associados, on both cases in the tax departments.
